MEMORANDUM FOR DISTRIBUTION

Subj: INDIVIDUALLY BILLED TRAVEL CARD DELINQUENCIES

Ref: (a) ASN(FM&C) memo of 16 Apr 02

Encl: (1) List of Major Commands with Delinquency Rates  
Above 4.0 Percent as of Jul 02  
(2) Travel Card Response Format

By reference (a), I announced several policy changes governing the use of the travel card within the Department of the Navy (DON). Those changes were intended to address the continuing problem with delinquencies and assist all major commands in better managing their travel card programs. I also directed additional remedial actions required of major commands that exceeded a 4.0 percent delinquency rate, based on the outstanding dollars due the card contractor. Commands not meeting this standard metric must report monthly to the DON travel card coordinator on actions taken and completed.

Only the major commands with delinquency rates above the 4.0 percent metric are required to effect the remedial actions. Enclosure (1) provides a list of those commands exceeding this metric for the most recent reporting period. Use enclosure (2) as a template to report your actions taken and completed, to the DON travel card coordinator.

Completed responses, consolidated for each major command, are due by the 10<sup>th</sup> of each month that a report is required. Please e-mail your completed reports to Mr. Dave McDermott at [mcdermott.david@fmo.navy.mil](mailto:mcdermott.david@fmo.navy.mil). Mr. McDermott may also be reached at (202) 685-6719 or DSN 325-6719.
